Instructions for 'Piece of My Heart' Card

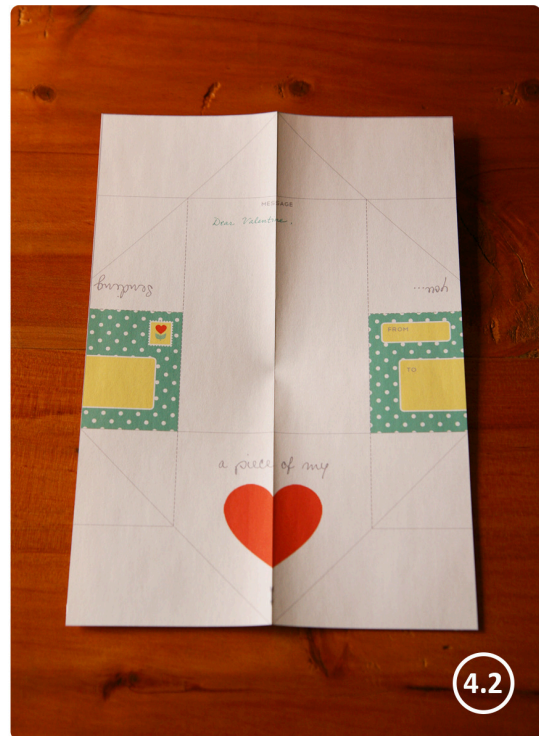

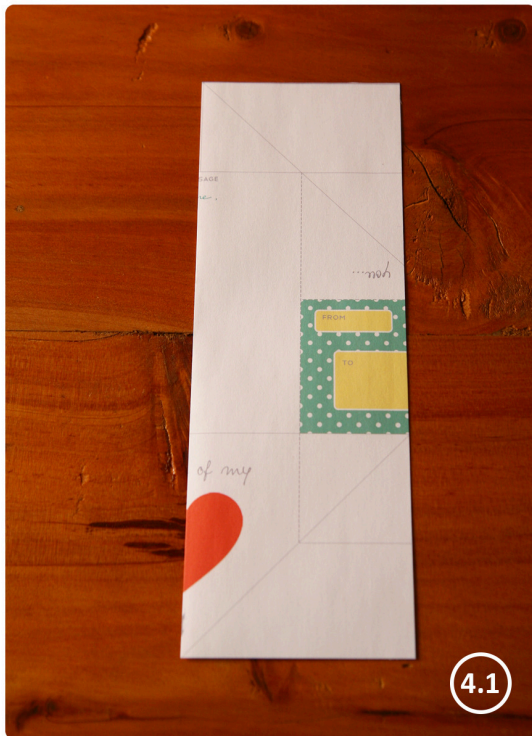

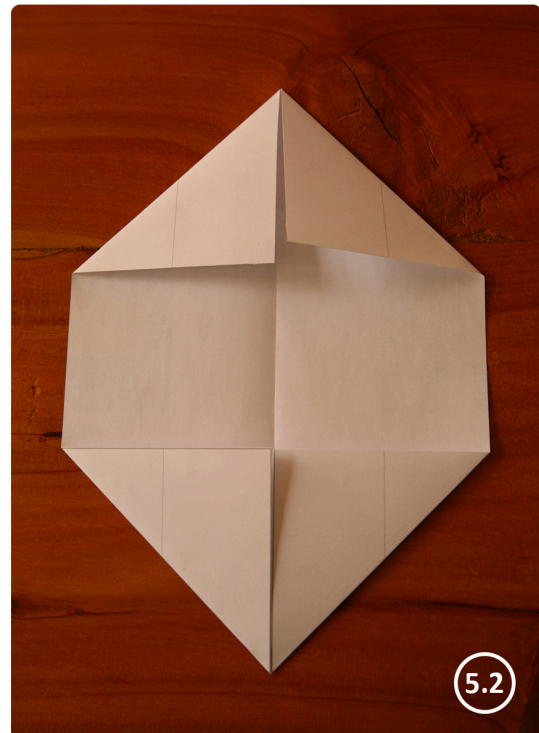

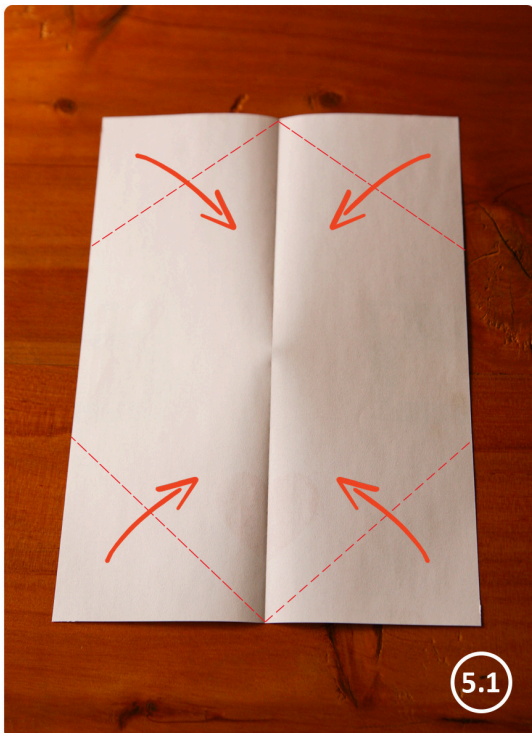

Print out your card

Cut out your card by cutting along the
outer most solid gray lines

Write your personal message in the section
indicated

4.1

4.2

Fold your card in half vertically. Then unfold

5.1

5.2

Flip the card over so that the printed side is facing up. Fold down the pointed end horizontally
along the dotted line that runs between the white and light blue sections of the card

6.1

6.2

Fold the left and right sides of the card vertically (along the dotted lines) so that they meet at the center fold line

7.1

7.2

Fold the top and bottom pointed ends as shown above

8.1

8.2

Fold the top portion of your card down horizontally along the dotted line. Then flip the card over

9.1

9.2

Fold up the bottom portion of your card horizontally as shown above. Then tuck in the lower
right corner you just folded up under the flap that says "you"

Gently tuck the other corner under the flap that says, "sending"

Address your card. It's now ready for delivery!!
